Case No.: 2:07-CV-1928-RDP

DECLARATION OF JOSH SANDERSON

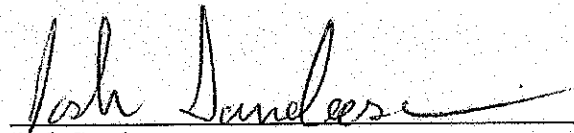

I, Josh Sanderson, declare as follows:

1. I am an employee of American Home Shield Corporation ("AHS"). My current title is Director of Creative Services, and I have held that position for two and a half years. In that position, I am responsible for, among other things, the production of printed marketing materials. The matters set forth in this Declaration are based upon my personal knowledge and my familiarity with certain business records and practices referenced herein.

2. Attached to this Declaration is a true and correct copy of a page of one of AHS's print marketing pieces that was created in 2010. That document lists nationwide average repair and replacement costs for certain home appliances and systems. Those average costs are based on data from a nationwide survey conducted by Decision Analyst, a third party AHS retained to conduct that survey, in 2008.

3. I declare under penalty of perjury that the foregoing is true and correct to the best

of my knowledge. Executed on this 25th day of February, 2010, at Austin, Texas.

Listen to what people are saying about an AHS Home Warranty.

- JoAnn Haws of Portland

"The AHS Home Warranty saves us a fortune. We've replaced heaters and A/Cs and AHS has done a terrific job every time. AHS Home Warranties are too good of a value not to take advantage of."
